

TESTIMONY
of the
CONNECTICUT CONFERENCE OF MUNICIPALITIES
to the
ENVIRONMENT COMMITTEE

February 9, 2011

CCM is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent over 93% of Connecticut's population. We appreciate this opportunity to provide testimony to you on issues of concern to towns and cities.

CCM opposes Raised Senate Bill 838 "*An Act Concerning Wildlife Management and Lands Classified as Farm Lands.*"

This bill would provide special property tax treatment for certain properties that engage in wildlife management.

Every year there are many well-intentioned proposals to reduce the property tax burden of one group or another. Everybody wants out of the property tax – but peeling off one group after another is not reform. Again, these would only serve to shift the burden of those taxes to the remaining property owners of a given municipality. Currently, there are close to two-dozen opportunities for property tax abatement at municipal option and 75 mandated ones (see attached sheet).

In an economy where local officials are struggling to sustain critical services – amidst growing deficits, evaporating revenues, and layoffs – this bill would negatively impact hometown budgets.

Towns and cities have already suffered significant cuts in state aid over the last several years and the State is currently grappling with a huge deficits. This is not the time for enacting any new unfunded mandates, no matter what the reason.

CCM urges the committee to take no action on this bill.
